# Star of the Week Daily Schedule

Here's what to expect when you are the class STAR! We are really looking forward to learning more about one of our classmates! Here is the schedule of events for you to plan:

Monday: Bring in a poster all about **YOU!!** The poster may include photographs, hand-drawn pictures, writing, etc. Anything that tells us about who you are! We want your poster to be as unique as you!!

Tuesday: Share your favorite picture book with us. You will have a chance to read the story to us during our class meeting. Tell us what makes it special to you!

Wednesday: Bring in something that makes you proud! This could be a piece of artwork you made, a sports trophy or medal, or a special award. I ask that nothing fragile or valuable come to school. If that is what you really wish to share with us, then bring in a photograph!

Thursday: Estimation Jar! You get to bring in a jar full of whatever you choose. Your classmates will have to guess how many of the object is in your jar. Make sure you know how many are in there so you can tell us who wins. The classmate who guesses the closest will get a prize!

Friday: You get to choose our "Brain Break" game for the day!

## THANK YOU FOR BEING OUR STAR!!
